Comparing Monetized Key Performance Indicators (KPIs) of Iowa State University Peer Institutions

Examples of monetized indicators using ARL Statistics

- Total Expenditures per circulation
- Total Expenditures per student
- Total expenditures per faculty FTE
- Total expenditures per total professional staff FTE
- Total expenditures per gate count
- Material expenditures per circulation
- Material expenditures per student
- Material expenditures per faculty FTE
- Material expenditures per total professional staff FTE
- Material expenditures per gate count
- Staff expenditures per circulation
- Staff expenditures per student
- Staff expenditures per faculty FTE
- Staff expenditures per total professional staff FTE
- Staff expenditures per gate count

- Percent of material expenditures to total expenditures
- Percent of staff expenditures to total expenditures
- Staff expenditures per gate count
- Staff expenditures per total professional staff FTE
- Staff expenditures per faculty FTE
- Material expenditures per gate count
- Material expenditures per total professional staff FTE
- Material expenditures per faculty FTE
- Material expenditures per student
- Material expenditures per circulation
- Total expenditures per gate count
- Total expenditures per total professional staff FTE
- Total expenditures per student
- Total expenditures per circulation

- Total Salary per Enrolled Student FY2017

- Total Salary per Enrolled Student FY20 - FY16

- Material Expenditures/Faculty FTE FY06 - FY16

- Material Expenditures/Total Expenditures FY2016

- Material Expenditures/Total Expenditures FY20 - FY16

The Iowa State University Library advances the university’s academic excellence and land-grant mission by collecting, disseminating, and preserving world knowledge.

Service Perspective

- S1. Strengthen information literacy skills for the ISU community and beyond
- S2. User needs and priorities are met and/or exceeded
- S3. Grow the use of material and other university-produced research while expanding the scope of digital and special collections services

Financial Perspective

- F1. Increase financial resources through partnerships with donors and stakeholders as well as consortia
- F2. Align financial resources with priorities
- F3. Be data driven with material acquisition decisions and when promoting the value of investment in the library

Learning and Growth Perspective

- L1. Partner with users to stimulate new ways of working, thinking, and responding to their needs
- L2. Create a workplace culture that values collaboration, innovation, and continuous growth
- L3. Promote and convey a culture of assessment and accountability

The Iowa State University Library serves as a Knowledge Broker by creating, collecting, curating, and communicating information.
